An applicant has to provide two choices of the examination centers while filling the ONLINE form for the NEE-2019. 16.3. RESERVATION OF SEATS

Reservation of seats (see Table-3: Reservation of seats with its codes) is put under three different categories. A candidate seeking / claiming admission against a seat under any of the categories shall have to produce relevant certificate(s) at the time of counselling / admission. The categories are as under:

(i) State–quota: For candidates who belong to any of the Eight North Eastern States;
(ii) All India-quota: For candidates who belong to any of the States of India; and
(iii) PD-quota: For candidates with 40 to 75% Physical locomotor Disability (PD) belonging to any of the States of India.

The distribution of seats is such that out of the total number of seats in each of the modules for direct admissions, 80% of seats are reserved for candidates of the eight North Eastern States (10% for each state) as state-quota. Besides this, 7% of the total seats are filled up with Permanent Residence Certificate (PRC) holders of these eight North Eastern States on merit basis. 10% of the total seats are filled up with candidates under All India-quota; and 3% of the total seats are reserved for Physical locomotor Disabled (PD) persons under PD-quota.

Reservation Codes (Table-3): Admissions in Technology stream as well as in Forestry stream are taken on the basis of total seats allotted to the three different categories. So, an applicant must choose an appropriate reservation code based upon his/her eligibility from amongst the reservation codes given in Table-3 (Reservation of seats with its codes).
Please see Table-3 for Reservation of seats with its codes. Each reservation code is a 4-digit number, say ABXX. To read it from left to right, the first digit ‘A’ ranges from 1 to 9; and the numbers 1 to 8 denote ‘State-quota’ under the eight North Eastern States in alphabetic order, whereas number 9 denotes ‘All India & PD-quotas’ together. The second digit ‘B’ has got two numbers, 1 and 2. Number ‘1’ is applicable to those applicants who have got Permanent Residential Certificate (PRC) of any of the eight North Eastern States, and number ‘2’ is applicable to Non-PRC holder applicants of these States who have got other relevant certificate(s) to claim for a seat under State-quota of the respective eight North Eastern States. Besides this, number ‘2’ is also applicable to all those applicants who belong to the All India or PD category. The digits ‘XX’ merely denote serial numbers in all the codes of the three categories of reservations.

Reservation of seats under All India & PD-quotas is open to all applicants (Indian Nationals), if they desire so, for a seat under such categories.

If no seat is available against a reserved category in a year in any of the modules, he/she can apply for other suitable category as appears in the instruction panel.

*Important Note: Any deviation in documentary proof for the reservation code mentioned / chosen by an Applicant in his/her Application shall lead to summarily rejection of his/her candidature. Proof of eligibility against a reservation code, other than All India General category candidates, must be produced at the time of counseling/admission.*
