**MESSAGE**

The University of North Bengal was founded in the year 1962 with a motive to provide its students with high quality education and a supportive learning environment to North Bengal and in country as well. With the passage of time the name and fame of this University have already crossed the boundary of our State and established its footprint on the world of education in India and abroad. Creation of the right ambience on campus for a vibrant knowledge hub is one of our top priorities. Our aim is to extend the best possible environment for teaching, research and public service with a desire that our students will be nicely educated to become responsible citizen of our country.

I extend a hearty welcome to all the students who chose to be a part of the University of North Bengal. I am sure that you will feel proud on being associated with us and make us proud with your academic and other achievements to fulfill the motto of our University "ENLIGHTENMENT TO PERFECTION".

I wish all of you every success in your life ahead.
