Tezpur University was established on 21\textsuperscript{st} of January in 1994 by an Act of Parliament as a unitary university. The University conducts under-graduate, post-graduate, and research programmes in the areas of Science, Engineering, Management, and Humanities and Social Sciences. The University is situated in a sprawling campus located in a lush green serene environment and is at a distance of about 200 km from Guwahati. The Department of Business Administration has a well-qualified faculty, with rich experience in academic and industry. The Department has an innovative teaching pedagogy, transparent and scientific evaluation system, and a modern and constantly updated curriculum. Since its inception, the Department has been producing managers who are presently in prominent positions in India as well as abroad.

Apart from fulfilling the traditional role of the University, that is, to create and disseminate new knowledge in diverse fields, it has been striving to keep pace with the developments that are taking place in a rapidly changing world. Accordingly its systems are modernized as per contemporary requirements through constant upgradation of the syllabi as well as infrastructure.

The University has been trying to provide facilities for carrying out meaningful and socially relevant research. Faculty members have been successful in generating research funds from funding agencies like ONGC, UGC, AICTE, MS & PI, ICSSR, DRDO, CSIR, ISRO, NSC, MNCE, MTA, IGNOU-NECRD, IFMR, SSA, World Bank etc.
Vision of Tezpur University

To develop human excellence and inculcate leadership through hard work and creativity.

Mission of Tezpur University

To render Tezpur University as one of the most preferred destinations of students, faculty and scholars and employees
To be in the Top 50 Universities of the world...

Placement Scenario

Tezpur University has an active Training & Placement Cell to facilitate the Final Placements as well as Summer Internship Placements and other related activities. There exists a high degree of emphasis on maintaining close liaison with the Industry. Interaction of the students with professionals from Industry is arranged regularly. This is apart from the regular training & mock interview sessions arranged for grooming up the students for the big day.

Special efforts are made to attract the best of employers-MNCs, Public Sector, Private Sectors, NGOs, etc. - to pick up our graduates. Over the years such efforts have paid rich dividends as excellent set of recruiters have selected our students both via on-campus and off-campus recruitment process. The increasing number of visiting recruiters, the uptrend in the initial packages offered and the repeat visits for more recruitment indicates the upswing in the confidence our recruiters place on us. The pleasant result of that is a healthy growth of the number of our students finally placed. A good number of our students receive their offer letters even before the final semester examinations. The active follow-up efforts made by the Training & Placement Cell as well as the Department with the recruiters network makes it possible that each one of our graduates are suitably placed.
Our Recruiters
Seminars and workshops are conducted and organized by the students with active support from the faculty members. These activities aim at establishing a synergistic relationship and interface platform where the management fraternity from both the corporate and academic world can share their experience, thereby, enriching the students who are supposedly the measure of a nation’s future development. This in turn helps promote and propagate a culture of management consciousness among the people of North-East in particular.

Our students regularly prove their mettle in **B-School Meets**. Be it a case study, making a business plan or developing conceptual advertisements, our students have always been ahead of their competition.

The Alumni is our strength. There is a strong alumni base spread all across the country (and beyond). For a detailed list one may visit our Departmental website (www.tezu.ernet.in/dba/new/).

**Forum for Managerial Excellence (FORMEX)** is a voluntary body of the Department of Business Administration, Tezpur University. The forum undertakes activities like organizing seminars both in–house & outside the University, popular talks, guest lectures, management games etc. All the students and faculties are members of the forum.

The Department conducts **i-connect** programme on a regular basis specially focused on industry academia participation by live interaction and through video conferencing facility of the Department.

Our students publish an e-magazine “**Uttaran**”, which is well appreciated in the corporate world.

**Sampark**… the interface is the most notable event of the School of Management Sciences organized in the first quarter of every year by the students of the Department of Business Administration, backed by the guidance of the faculty. Sampark intends to be a platform for sharing thoughts and experiences between the management fraternity from both the academic and corporate world. It is a rostrum where leaders from the corporate world interact with the bright malleable minds of the students, who, in turn, get an exposure and insight into the current corporate scenario through thought leaders of the industry.

This event helps promote and propagate a culture of management consciousness among the people of the North East. Events like panel discussions meant for bridging the gap between reputed academicians and corporate, webinars with reputed industry personality and a business quiz hosted by a prominent quizmaster are held every year, which involves participation of students of reputed B-Schools of the region.

**ISR Club** The Department has an active Institutional Social Responsibility Club SPARSH that works towards bringing to the fore the awareness on social issues and working for the underprivileged.
Eligibility

A Bachelor’s degree in any discipline from a recognized Indian or foreign University/Institution (foreign degree must have UGC approval) with a minimum of 50% of Marks (or equivalent Grade) in Major subject or in aggregate. Relaxation of 5% of the minimum percentage will be applicable to the reserved categories as per Govt. of India rules.

Syllabi
The inherent managerial qualities of the students are further groomed and harnessed by our qualified faculty members with their up-to-date pedagogy. Term papers, regular class tests, group discussions, case studies comprise the bulk of the evaluation process. This process is carried throughout the entire semester. Care is taken that the students are evaluated not only on the theoretical contents but also on the practical aspect of the course. Students are also encouraged to participate in various extracurricular activities in addition to their classroom coaching.

Tezpur University follows the scheme of Choice Based Credit System (CBCS), whereby each student of the Department is required to opt for open electives offered by other Departments as portion of total credit requirement.

The syllabi will be made available to the students at the time of admission. Tezpur University MBA students opt for foreign language courses (French, German or Chinese) and to the basics of Yoga.

The MBA Programme of the Department of Business Administration of Tezpur University is spread over four semesters. In the first semester, all core papers are offered from different functional areas like Finance, Human Resource, Marketing, Operation, Information Technology, Economics and Quantitative Techniques. In the second and third semesters, specialization courses are offered along with a few core papers viz. Research Methodology, Management Information System, Legal Environment, and Organizational Change. The students are given the opportunity to specialize their knowledge in any two functional areas. After the second semester, students need to complete a Summer Internship (SIP) of 8 weeks in an organization. Placement assistance is given to the students from the department for their summer Internship. In the fourth semester, core courses in the areas of Ethics, Corporate Social Responsibility, Strategic Management, Entrepreneurship Development, Legal Environment of Business, Supply Chain Management are offered.

International Collaboration
The Department of Business Administration, School of Management Sciences, Tezpur University signed an MoU with Avans School of International Studies, Avans University, Breda, Netherlands for student exchange and faculty exchange programs which will be followed by joint research programs on mutually beneficial areas.
