

SYLLABUS for Proficiency Programs in Spanish 2024-25

Language Proficiency Programmes in Spanish

These programmes are of 160-180 hours duration spread over one academic year and enable learners to start learning these languages from beginners' level and develop their communicative competence to advanced levels. They equip the learners not only with the linguistic skills necessary for communication in these languages but also introduce them to the culture and civilization of the societies that speak these languages.

Admission

- There are three entry points to these programmes, i.e. at the beginning of each programme. A candidate may choose her/his entry point depending on her/his previous knowledge and/or qualification in the language. The admission is done through a selection procedure specified and duly announced by the University.
